

# JUNIOR GOLF CLINICS

The First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry with them in everything they do. We are building game changers through our fun, safe, and social setting on the golf course.

## Session #1 → \$149
